

CLAIMS

We claim:

- 1 1. A seat belt extender, comprising:
2 an elongate anchor extension of limited flexibility, having
3 a first end and a second end opposite said first end;
4 a male seat belt latch tongue immovably affixed to and
5 extending from said first end of said anchor extension; and
6 a female seat belt latch receptacle immovably affixed to
7 and extending from said second end of said anchor extension.
- 1 2. The seat belt extender according to claim 1, wherein
2 said anchor extension comprises a flat strap having a cover
3 selected from the materials consisting of rubber and plastic.
- 1 3. The seat belt extender according to claim 2, wherein
2 said strap is formed of synthetic fabric webbing material.
- 1 4. The seat belt extender according to claim 1, wherein
2 said anchor extension comprises a cable having a cover selected
3 from the materials consisting of rubber and plastic.
- 1 5. The seat belt extender according to claim 4, wherein
2 said cable is formed of strands selected from the group
3 consisting of steel and synthetic fiber material.

1 6. The seat belt extender according to claim 1, wherein
2 said anchor extension is between one inch and eight inches in
3 length.

1 7. A seat belt extender, comprising:
2 a flat, elongate strap of limited flexibility, having a
3 first end and a second end opposite said first end;
4 a male seat belt latch tongue immovably affixed to and
5 extending from said first end of said strap; and
6 a female seat belt latch receptacle immovably affixed to
7 and extending from said second end of said strap.

1 8. The seat belt extender according to claim 7, further
2 including a cover disposed over said strap.

1 9. The seat belt extender according to claim 8, wherein
2 said cover is selected from the materials consisting of rubber
3 and plastic.

1 10. The seat belt extender according to claim 7, wherein
2 said strap is formed of synthetic fabric webbing material.

1 11. The seat belt extender according to claim 7, wherein
2 said strap is between one inch and eight inches in length.

1 12. A seat belt extender, comprising:
2 an elongate cable of limited flexibility, having a first
3 end and a second end opposite said first end;
4 a male seat belt latch tongue immovably affixed to and
5 extending from said first end of said cable; and
6 a female seat belt latch receptacle immovably affixed to
7 and extending from said second end of said cable.

1 13. The seat belt extender according to claim 12, further
2 including a cover disposed over said cable.

1 14. The seat belt extender according to claim 13, wherein
2 said cover is selected from the materials consisting of rubber
3 and plastic.

1 15. The seat belt extender according to claim 12, wherein
2 said cable is formed of strands selected from the group
3 consisting of steel and synthetic fiber material.

1 16. The seat belt extender according to claim 12, wherein
2 said cable is between one inch and eight inches in length.
